Seat of Ohio Northern

ADA, the seat of Ohio Northern University, is an attractive little city in northwestern Ohio, on the Pittsburgh, Fort Wayne & Chicago division of the Pennsylvania Railroad, fifteen miles east of Lima and twenty-eight miles west of Upper Sandusky. Railroad connection is made at Lima with the Baltimore & Ohio and the Lake Erie & Western division of the New York Central Lines, and the Erie Railroad. Connection is also made at Upper Sandusky with the Hocking Valley; at Forest, sixteen miles east, with the Big Four, and at Dunkirk, ten miles east, with the Ohio Central Lines.

Lying on the great watershed separating the waters tributary to the Ohio and the Mississippi from those flowing into the Great Lakes, Ada, with its population of three thousand, has an elevation above sea level as high as any in the state, with healthful climate, sanitary conditions well guarded, and an abundant supply of excellent water from drilled wells. The town is unsurpassed in healthfulness and freedom from epidemics. Numerous forest trees line avenues and adorn premises, affording a delightful retreat during the warm summer months. Paved streets, pure water from deep wells, electric lights and natural gas evidence the wide-awakeness of the citizens in the matter of public utilities and city improvements.

Historical Sketch

On August 14, 1871, in a three story brick building erected on the campus where the Lehr Memorial now stands, the Northwestern Ohio Normal School, with Henry Solomon Lehr at its head, was formally opened, "for the instruction and training of teachers in the science of education, the art of teaching and the best methods of governing schools."

The name was changed to Ohio Normal University and a charter from the State was issued on May 19, 1885, the policy and management remaining the same as before.

The school was under private control from the outset until September 1898, when the owners sold to the Central Ohio, (now the West Ohio) Conference of the Methodist Episcopal Church the real estate, personal property and equipment belonging to the school. Under the new administration, as fast as existing contracts permitted, the departments, heretofore semi-independent, were reorganized under one management, and the respective heads, designated deans, were placed on a salary instead of commission. At the same time instruction in the main school was made departmental with the head teacher in each department as director thereof. The new charter was dated May 24, 1898.

In 1904 the institution was renamed Ohio Northern University, and the charter amended December 31, 1907.

In the spring of 1910 the trustees recognized the College of Liberal Arts as distinct from the Normal School, and appointed a dean in charge. The courses leading to the scholastic degrees were strengthened, the standard number of hours required for the bachelor degrees adopted, and the conferring of the master's degree discontinued until such time as the resources of the institution should permit organization for post-graduate instruction.

Academic Standing

Ohio Northern University is a standard institution. It holds membership in the Association of American Colleges and the Ohio College Association. These points are of vital importance to the prospective student who is planning his life work.

Organization

1. THE COLLEGE OF LIBERAL ARTS.
2. THE COLLEGE OF EDUCATION.
3. THE COLLEGE OF ENGINEERING.
4. THE WARREN G. HARDING COLLEGE OF LAW.
5. THE COLLEGE OF PHARMACY.
6. THE A. D. JUILLIARD SCHOOL OF MUSIC.
7. THE SCHOOL OF COMMERCE.
8. THE SCHOOL OF EXPRESSION.
9. THE SCHOOL OF PHYSICAL EDUCATION.
10. THE SCHOOL OF FINE ARTS.

Sources of Support

THE Ohio Northern University is very fortunate in that she is a church supported school, in addition to her natural resources of endowment, farm lands, city properties as well as her many gifts from people of high financial standing.

The wealth at the present time consists of the following:

Unencumbered Endowment	\$304,228.25
Buildings and Equipment	250,000.00

At present the West Ohio Conference, which owns and controls the school, is putting on a drive to increase our unencumbered endowment to \$500,000 for our new school year which opens in September.

Preamble of Mu Sigma Kappa

WE, THE MEMBERS of the Ohio Northern University Band, desirous of bringing into closer relationship students of band instruments, and to create for them an environment which will make of them better musicians, and foster a greater, larger and better band in this University, do create and establish the Mu Sigma Kappa, Honorary Band Fraternity.

CONSTITUTION OF MU SIGMA KAPPA FRATERNITY OF OHIO NORTHERN UNIVERSITY

ARTICLE I—NAME

The name of this organization shall be the Mu Sigma Kappa of Ohio Northern University.

ARTICLE II—AIM AND PURPOSE

1. To effect a permanent organization of "The Ohio Northern University Band."
2. To promote a spirit of unity in the Band and loyalty to the Alma Mater.
3. To promote lasting friendships among the members of the organization.
4. To promote positive moral development.
5. To promote in the student body an interest in the Band and its various activities.

MEMBERSHIP

1. Members of this organization must have completed at least (5) five terms of service in the Ohio Northern University Band.
2. The service of each member of the band (after admission to the band) must be available each term he is in school.
3. Excuses from rehearsals, concerts and other band activities shall be at the discretion of the director.
4. No student who has received demerits from the University shall be eligible to membership. A demerit shall consist of conviction of immorality or disloyalty, or disobedience to the recognized standards of the school.

Sources of Support of Band

THE BAND'S financial worries became a thing of the past three years ago. The Student Activity Fee was instituted then. This meant that every student paid \$1.00 a year for the support of the Band. Besides the activity fund, the band receives good financial returns from the three term concerts and minstrel show that are presented yearly.

The programs are held in Lehr Auditorium, which seats 1500. The band is so popular that it draws within a radius of fifty miles of Ada, for its concerts. The band also derives a good financial return from engagements at county fairs, lecture course programs for high schools, church programs and conventions.

Through the above activities, the Band has been able to purchase 70 orange and black Hussar uniforms, with orange and black capes. The football trips are taken care of very nicely through collections between the halves.

Grade of Music

The Band has a wonderful library of music. Rehearsals are held daily, which makes it possible for the members to receive a good playing knowledge of the works of the Masters. The rehearsals are of one hour duration. Different numbers are played every day, along with overtures that are to be featured in a coming concert. Through this plan of rehearsing, the members never feel tired of hearing the same selection day after day.

Within the past three years, the Band has been engaged to play at fairs a week after organizing. These engagements never found the organization lacking in selections for the men selected to play are able to handle music almost the first time over. By the latter part of September, the band has a repertoire of forty numbers.

The Ohio Northern Band is noted for the caliber of music that it plays at its concerts. Every program finds the band playing fourth and fifth grade music. Some third grade marches are used. The following marches are played by the band on parade:

The Kilties, Morris; National Emblem, Bagley; Fez, Panella; Gipsyland, Lithgow; Spirit of Independence, Holzman; 40 and 8, Woods; Semper Fidelis, Sousa.

This is what one of the universities in the state has to say about Northern's Band:

"Ohio Northern sent one of the best college bands in the country to the Ohio Northern-Ohio game here last Saturday. The band is composed of over 70 pieces and every member is a picked musician."

—Green and White, Ohio University, Tuesday, November 9, 1926.

Hear's Program

WHEN lots of pep is needed for any occasion, there is one source that never fails—the band. Mike's men are noted for their ability to liven up dead occasions, which accounts for their wide popularity all over the state.

In every respect the year 1926-27 has been a successful one for this organization. At the begining of the Fall term there was such a supply of new musicians that additional uniforms had to be purchased bringing the total membership to seventy. Half-capes were added to the Black and Gold Hussar outfits and a new plume and a gold insignia for each head-dress were also secured, giving Northern the best outfitted and the most brilliantly dressed band in the state.

Trips were made to the county fairs at Wapakoneta and Bellefontaine early in the Fall. Mike's men were always on hand at the football games, both at home and abroad. The trip to Ohio University was especially successful, for on the previous night, at a concert in Lancaster, the organization played for the largest crowd that had ever gathered there for such an entertainment.

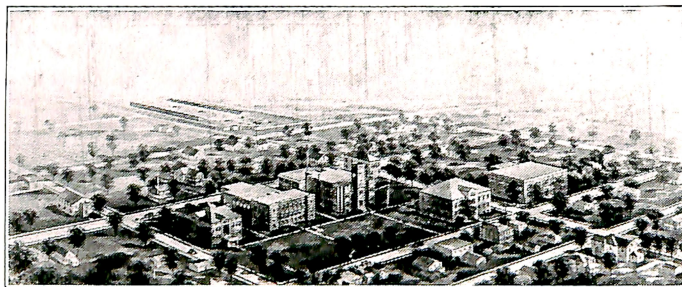

During the winter, Mike's musicians appeared on the lecture courses of several high schools and in the Spring term they made extensive tours covermg most of the state. After presenting a concert and minstrel to a packed house at Lima South High, they journeyed to Columbus, where they broadcasted from station W. A. I. U. as a part of the Founders' Day program. A trip through the northern part of the state took them to Toledo, Sandusky, Norwalk, Cleveland, (where they played three engagements at Keith's Palace), Akron, Canton, and several other cities, followed by a jaunt to Dayton. Programs were given at over twenty high schools in the Northern Publicity Campaign.

This organization also recorded during the Spring term. On one side of the disc is "Sons of Old O. N. U., played by the band and sung by the men's Glee Club, and on the other the march, "40 and 8", written by Dr. R. H. Woods, a former O. N. U. band man.

Three home concerts, one each term, and a mammoth minstrel in the Winter quarter were given before capacity audiences at Lehr this year.

Much credit for the efficiency and success of the band goes to Director Mazzulla and the officers: Leon Wolford, President; Paul Simmons, Vice President; Paul Haager, Treasurer; Clarence Gray, Secretary; Jess Long, Manager; George Galladay, Librarian; Paul Wadsworth, Advance Agent; and Don Cameron, the Struttin' Drum Major.

Northern's All Ohio Conference Band has made an enviable record during the 1926-27 season. Playing in all parts of the state at all kinds of events, broadcasting over the radio, and on their phonograph records, they have won favorable and enthusiastic comment wherever their music has been heard.

Letters of Recommendation

April 6, 1927.

Kappa Kappa Psi Fraternity,
Gentlemen:

I have taken a great deal of pride in the Ohio Northern University Band. Under the able direction of Michael Mazzulla for the last six years it has made wonderful strides. We think it now the peer of the college bands of Ohio, if not the best. It is an indispensable part of the life of the University. Without it all athletics and many social events would be dull and lifeless. Due to the enthusiasm, energy and absolute genius of Mr. Mazzulla, we have a great band of musicians who do not need any apology at any time or anywhere.

I am informed that they are anxious to form a chapter of Kappa Kappa Psi musical fraternity. That it would increase the interest and deepen the morale of the whole band. I have therefore given my hearty commendation and trust that its request may be granted.

Very cordially,

ALBERT EDWIN SMITH
President

DR. ALBERT EDWIN SMITH
President

March 31, 1927.

Kappa Kappa Psi,
Honorary Band Fraternity,
Oklahoma City, Oklahoma.

Dear Sirs:

It gives me great pleasure to recommend the members of Mu Sigma Kappa (local honorary band society) to Kappa Kappa Psi. The members have proven by their daily attendance at rehearsals, school functions, and numerous other band activities to be not only loyal to the band, but to the university as well.

I am proud of the fact that some of the members have also gained the highest scholastic honors of their respective classes and departments.

I know that affiliating with your national fraternity will help place our band on a higher plane in the collegiate world as well as on the campus.

Trusting that you will grant the members of Mu Sigma Kappa a charter, I beg to remain,

Fraternally yours,

M. Mazzulla, Jr.
Director.

MIKE MAZZULLA
Director

April 4, 1927.

Kappa Kappa Psi Fraternity,
Gentlemen:

We take great pleasure in expressing our appreciation of the splendid work being done by our Varsity Band. Signor Michael Mazzulla, director, is a young man of fine capabilities along many lines and a musician and trainer of extraordinary ability. He has gathered about him seventy or more of the best present day products of the University and welded them into an organization that is known from one end of the state to the other as one of the outstanding University Bands of the Middle West.

The Administration and Faculty of the Ohio Northern University take just pride in this organization. We class it as one of our most outstanding assets in many respects.

Very truly yours,

THOMAS J. SMULL
Executive Secretary

Letters of Deans

Kappa Kappa Psi Fraternity,
Gentlemen:

Ada, Ohio, April 5, 1927.

I am very glad to know that an effort is being made to have your Fraternity establish a chapter here at Ohio Northern University. Personally, I think that we have a very fine musical organization in our band, comparing favorably with the best. It is very gratifying that the personnel is of such high type not only as to ability to play, but also as to scholastic standing and moral character. The men are in the work, faithfully at it from day to day, for the sheer love of it.

The University has found in its leader, Professor Michael Mazzulla, one who demands the best from every man. In him, I am certain we have a conductor of rare ability, one who commands the respect of every man and woman on the campus, whether of the faculty or student body. To him alone, this University is indebted for the fine band we have. If a Chapter should be established here, I am sure it would receive his greatest interest, and be an honor to any musical fraternity.

As chairman of the Pan Hellenic Council of this University, and as a member of the faculty, I bespeak for the sponsors of this movement to establish a Chapter here. the kindest and most favorable consideration.

Respectfully,

H. J. WEBER

Mr. Michael Mazzulla, Director,
Ohio Northern University Band,
Ada, Ohio.

April 5, 1927.

Dear Mr. Mazzulla:

It would be a serious neglect on my part if I failed to express to you in some way my appreciation of the band you have developed in our student body. Student and faculty appreciation indicate that your band has been and is a powerful factor in wholesome cultural influence.

It is a pleasure to note that your band is composed mainly of leading class men. May your efforts prosper and your influence in the field of culture grow richer day by day.

Sincerely yours,

RUDOLPH H. RAABE
Dean College of Pharmacy

April 5, 1927

To Whom It May Concern:

I believe that the Ohio Northern Band should be encouraged in every legitimate way. It is doing good for the institution.

Mr. Paul Simmons, Mr. Bailey Bush, and Mr. John Reed are Liberal Arts students of good character, and in so far as character is concerned should be eligible for any organization of the band.

F. L. BERGER
Acting Dean, College of Liberal Arts.

To Whom it May Concern:
Gentlemen:

I have been approached by several of my engineering students relative to an Honorary Band Fraternity. The students who are taking engineering and who likewise are playing in the band, have a very creditable standing in the engineering college.

They have my official approval to join any fraternity or organization that will assist them in their work.

Yours very sincerely,
JOHN H. NEEDY.
Dean of Engineering

April 1, 1927.

To Whom Concerned:

This is to certify that Reyburn Steinman and G. T. V. Galladay, both of the college of Education, are students of high standing as to character and scholarship and are hereby commended to your most favorable consideration.

Yours very truly,
E. C. DARNELL
Dean, College of Education

April 5, 1927.

Mr. Michael Mazzulla,
Director of the University Band
Ada, Ohio.

Dear Sir:

I want to take this opportunity to express my appreciation for the high type of music performed by your band upon different occasions when I have had the privilege of hearing them. The influence of such music upon the student body is very great, and its value to the university is immeasurable.

I sincerely thank you for your part in this fine contribution.

Sincerely,
MARK EVANS
Dean of Music

Ada, Ohio.
April 7, 1927.

Kappa Kappa Psi Fraternity
Gentlemen:

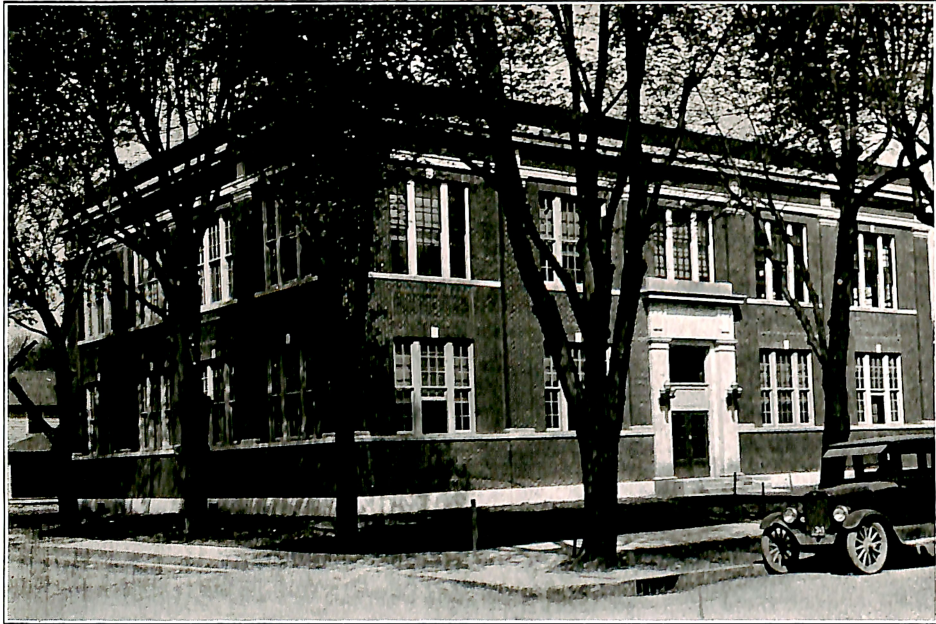

It is my understanding that an effort is being made by the Ohio Northern Band to establish a chapter of your fraternity on this campus.

Personally I think we have an extra fine musical organization in our band. The personnel of this organization is of the highest type of manhood and I can speak in the same manner of the scholastic work. Each and every member is a loyal worker in the class room as well as in the Band. Professor Michael Muzzulla is a leader that demands the best from all, and due to his efforts he has built this great organization of which Ohio Northern is so proud.

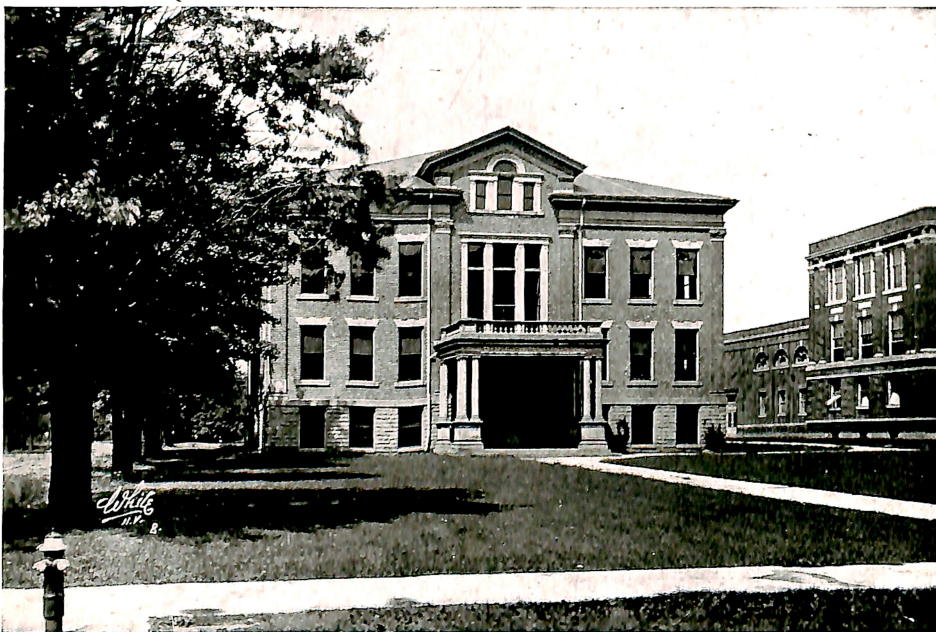

As Dean of the College of Law I bespeak for the sponsors of this movement to establish a chapter here.

The kindest and most favorable consideration is asked.

Yours respectfully,
WM. P. HENDERSON

No hat is complete without a band

NO barrel will hold together without bands of steel to keep the staves in position.

No University will properly function without the unifying influences of a real live up-to-date Band.

Ohio Northern University has the departments to properly qualify for a real University. She has the real band to hold them together.
